## ST. J. A. WON TWICE

Defeated Montpelier Seminary and Spaulding By Good Scores—Game Friday Night

St. J. A. gave up their berth in the cellar of the league last week after several weeks occupancy. As they moved out, Montpelier seminary, much against its will, was shoved through the scuttle. The result of Friday night's game was what accomplished this change of tenants, and it seems to have worked a charm on the locals for once out of last place they took heart and went after the bigger fellows. Spaulding furnished the excitement Saturday night at Barre but even this strong quintet was unable to stop the erstwhile trailers in the league and were forced to take the short end of a 22-28 score. Spaulding is second in the league race and there is little doubt that they were surprised to have the tail-enders step up and hand them such a dose right on their own stamping ground. The game was a hard fought contest throughout and St. J. A. certainly deserved everything that is coming their way for this humbling the top-notchers. It would not be surprising now to see the locals repeat the Boston Braves' miracle stunt of coming from last to first place. At any rate they are going to try to add another win to their list Friday night when they stack up against Spaulding again. Not that Spaulding is going to hand them anything in the line of easy money but the locals are going to try and show the fans some of the stuff they have been handing out on the road. The girls of the freshman and sophomore classes will stage the curtain raiser beginning at promptly 7:45. Here is your chance to show the Academy team that you like a winner. If the fans do their part the players promise to do theirs and it is a safe bet that should Spaulding carry off the bacon they will realize that they have been in some kind of an argument. Following is the score of the St. J. A.-Spaulding game played at Barre last Saturday night:

ST. J. A. SPaulding  
Vitty, rf lg, Rogers  
Ellis, rf rg, Geals  
Massey, c c, Nichols  
Warden, rg lf, Mann, Dinsmore  
Farnham, lg rf, Carroll  
Score, St. J. A. 23, Spaulding 22; goals from floor, Vitty 5, Ellis 5, Mann 3, Carroll 3, Geals 3, Nichols; goals from fouts, Vitty 2, Mann, Nichols; referee, Gammell; time, twenty minute halves.

Defeated Montpelier Seminary.  
The Montpelier seminary-St. Johnsbury academy game was played in the Montpelier armory last Friday evening. It was the fifth defeat out of six games played by the seminary and it was the first victory out of five games played by the academy team. The game was slow and uninteresting. St. Johnsbury showed better teamwork

but both were unskillful in shooting baskets.  
The visitors took the lead at the start and were never headed, although the ultimate winners had a margin of but one basket for a few minutes. The seminary made but two baskets from the floor in the first 20-minute period, the score standing 9 to 5 at the close of the half. Both teams improved in accuracy of shooting in the last half but the game resembled football more than basketball at times. Masse was slightly injured by coming into contact with a radiator in the first period.

The summary:  
St. J. A. MONTPELIER  
Vitty, rf rg, Kelley  
Ellis, rf lg, Ramsdall  
Farnham, c c, Hatch  
Masse, lg rf, Granal  
Warden, rg lf, St. Mary  
Baskets from floor, Vitty 4, Ellis 4, Hatch 3, St. Mary 2, Granal, Ramsdall, Masse; from fouts, Farnham 4, Hatch 2; referee, Kenefick; time, two 20-minute periods.

## TO PUSH TEXT BOOK Commercial Club Voted To Guarantee The Expense—Addresses By

Col. Reeves and Gen. Tillotson  
To get behind the National Guard and give it the support it deserves would go a long way toward solving the problem of preparedness which is the main issue before the American citizen today according to the opinions expressed by Col. I. L. Reeves, president of Norwich university, and commanding officer of the Vermont National Guard, and Adj. Gen. Lee S. Tillotson, at the meeting of the Commercial club in Pythian hall last Thursday evening.

Both of these men are unquestionably qualified to discuss this momentous question and their hearers left the hall satisfied that both knew whereof they were speaking and also confident that in case help was needed anywhere in these United States that Vermont would be ready.

The meeting was devoted to the discussion of preparedness and with this end in view the officers and enlisted men of Company D were invited as special guests. Those representing the company included Capt. Herbert A. Wilcox, 1st Lieut. Perley Hartwell and 2nd Lieut. H. M. Ladd, besides several privates. With Col. Reeves, Gen. Tillotson, Maj. John W. Tinker of the First Battalion and Capt. Henry W. Ellis, Vermont's military arm was well represented.

An excellent banquet was prepared under the supervision of Mr. and Mrs. S. J. Somerville which was relished by nearly 100 hungry men. The Academy orchestra furnished music during the banquet and following Miss Elizabeth S. Peck played two violin solos which were received with great applause. She was accompanied by Miss Eunice McGillivray.

The business session followed with Pres. H. A. Stanley in the chair. His suggestion Charles Steele of the committee which has in its charge the publishing of a St. Johnsbury text book for use in the public schools, gave a report of the committee's progress. Mr. Steele gave a general idea of the proposed text book saying that it was mainly to show both children and grown-ups the possibilities of St. Johnsbury, what the town was from an industrial and mercantile standpoint and also to give an idea of the history of St. Johnsbury. This idea originated in the West and has been copied extensively in that section of the country, but it is not known that a town of this size in the East has ever attempted a work of this kind. Mr. Steele wanted St. Johnsbury to be the first. He estimated that the cost of the work would be around \$250 and that this money would be returned in all probability from the sale of the books and he also suggested that the club should guarantee the cost. Upon Mr. Ricker's motion the club so voted and it is expected that the work on the text book will be rushed.

Secretary Smith is now engaged in making an industrial and business survey and the results of his work will be incorporated into the new book.

President Stanley then relinquished the chair to A. F. Stone who was to act as toastmaster. Before Mr. Stone got under way Capt. H. W. Ellis brought the entire assemblage to its feet when he marched to the speaker's table with the national colors. The

toastmaster, quick to act, led the company in singing America. Mr. Stone was allotted five minutes and he made good use of this time by talking in a reminiscent way of Vermont's proud record in the past from the time of the formation of the Council of Safety up to the opening of the Civil war. He said that Vermont owed its influence to preparedness and he believed that she was also prepared now. In a very witty manner, Mr. Stone introduced to the St. Johnsbury people one of Vermont's most influential citizens, both in private and military life, Col. Reeves, who in four years' residence in this state, has risen from military instructor of the university of Vermont to the presidency of one of the leading military colleges in the United States and to the office of colonel of the 1st Regiment of V. RECIPE FOR GRAY HAIR.  
To half pint of water add 1 oz. Bay Rum, a small box of Barbo Compound, and 1/4 oz. of glycerine. Apply to the hair twice a week until it becomes the desired shade. Any druggist can put this up or you can mix it at home at very little cost. Full directions for making and use come in each box of Barbo Compound. It will gradually darken streaked, faded gray hair, and removes dandruff. It is excellent for falling hair and will make harsh hair soft and glossy. It will not color the scalp, is not sticky or greasy, and does not wash off.
